

Journal of Caribbean Ornithology

Volume 35, 2022

The *Journal of Caribbean Ornithology* is an open-access, refereed scientific journal published by the non-profit society Birds Caribbean. The journal has been in publication since 1988 (first as *El Pitirre* until 2002) and serves as an important resource for ornithological research in the Caribbean. *JCO* publishes articles in English, Spanish, and French, and welcomes submissions of research articles, notes, reviews, perspectives & opinions, and book reviews on all aspects of avian biology, ecology, natural history, and conservation within the Caribbean. Journal articles can be found at jco.birdscaribbean.org.
