

Journal of Caribbean Ornithology

Volume 38, 2025

The *Journal of Caribbean Ornithology* is an open-access, refereed scientific journal published by the non-profit society Birds Caribbean. The journal has been in publication since 1988 (first as *El Pitirre* until 2002) and serves as an important resource for ornithological research in the Caribbean. *JCO* publishes articles in English, Spanish, and French, and welcomes submissions of research articles, notes, reviews, perspectives and opinions, and book reviews on all aspects of avian biology, ecology, natural history, and conservation within the Caribbean. Journal articles can be found at jco.birdscaribbean.org.
