**All Regional Reports, reports on workshops, resolutions, and other Society matters must be submitted through electronic mail (with hard-copy back-up sent through the regular mail) or as a file on a floppy disk with hard-copy.**

**Language**

Contributions can be in English, Spanish, or French. Translation of the entire text in an alternate language is encouraged. At a minimum, the abstract of longer manuscripts should be provided in at least one of the other two languages.

**Format of submitted materials**

All submitted materials must be typed, and hard copies must be clearly legible.

The manuscript should conform to usage in recent issues of *El Pitirre*.

Double space all written materials, including tables and figure legends.

*For scientific papers and notes:*

- Number pages through the Literature Cited.
- Do not hyphenate words at the ends of typewritten lines.
- Type tables separate from the text.
- Type figure legends consecutively on separate pages.
- Title page (numbered) — should contain full title, and authors' names and addresses at the time of the research. The present address, if different, should be indicated as a footnote. The title page also includes running heads (less than 36 characters), and the name and contact information for the author who can be most easily contacted.
- An Abstract (less than 5% of paper length) should precede each longer article. It should summarize important premises, summarize findings, and give conclusions.
- Text Citations — should include the author and year (e.g., Smith 1990, Smith and Jones 1991, Smith et al. 1992). Multiple citations should be arranged chronologically.
- Acknowledgments — precede the Literature Cited.
- Scientific and common names are given at first mention and, for birds, follow the AOU's *Check-list of North American Birds*, 7<sup>th</sup> ed. (1998) and its supplements.
- Measurements should be in metric units.

SUGGESTIONS TO AUTHORS (CONTINUED)

Use continental dating (e.g., 14 October 1992) and the 24-hour clock (e.g., 08:00 and 21:35). Tables and figures should not duplicate material in the text or in each other. Each table requires a short heading, including descriptive information that would answer the reader's questions of what, where, and when.

Literature Cited: Follow the most recent issue of the bulletin for style. In general, format will follow the following style:
